Cochin University Of Science And Technology (CUSAT)

COCHIN, INDIA

Entrepreneurial / Self assignments

- **Project : Websole.co** - A personal expense manager

  Source code :
  https://github.com/ArunRamachandran/Websole.co

  Passion to develop my own product & problem which I have faced in past few months while solving the expense among my colleagues and roommates lead to developing an application which can easily resolve the expense split process.

- **Project : GitHub search engine**

  URL: https://arunramachandran.github.io/GitHub-Search/
  Source code :
  https://github.com/ArunRamachandran/GitHub-Search

  A hobby project which will help users to search GitHub users & repositories by integrating with the GitHub api's.
